# **From Bobby's Desk**

Tonight we welcome Bolton Wanderers their Directors, players, Officials and Supporters. Tonight's tie brings together 1st and 3rd Division opposition, obviously Bolton will be expected to win, being the 1st Division team, but has happened so many times in the past, this is not always the case, because Cup ties are notorious for turning up the unexpected. The reasons for these upsets are many. Pressures upon the favourites to win the game sometimes has a bearing on their performance and they obviously don't play on the day to their full potential. But the opposite often occurs to the underdogs, whereby there is no pressures whatsoever on them to win the game and they usually raise their performance, and when this happens, that is when the upsets occur. So obviously tonight we hope that this will be one of those occasions.

# Fact File on Bolton Wanderers

**by Don Smith**

**Ground:** Burnden Park, Bolton.

**Colours:** White shirts, blue knickers.

Bolton Wanderers, one of the twelve original members of the League, was formed in 1874 as Christ Church Football Club, the subscription payable by its members being one penny.

As the club started without funds each member subscribed sixpence for the purchase of a ball.

In its earlier days Chirst Church Football Club, which changed its name to Bolton Wanderers in 1877, had the usual ground troubles, and it was not until 1895 that a permanent home at Burnden Park was found. The first match played on the new ground, a benefit for D. Jones, one of the finest full backs that Wales gave to English football, was with proud Preston.

The club has done well in the Football Association Cup competition, the trophy having been held three times, 1923 1926 and 1929, since the competition was entered in the season of 1881-82. West Ham United (1923) were beaten 2-2-0, Manchester City (1920) 1-0, and Portsmouth (1929) 2-0. In 1904 Manchester City beat the Wanderers 1-0. Pym, Haworth, Nuttall, Seddon and Butler appeared in each of the three hames, Finney; Jennings, Jack Smith (J.R.), Smith (J.), and Vizard in two.

Four times the Wanderers have fought their way out of Division II - as champions in 1908-9 and as runners-up in 1899-00, 1904-05 and 1910-11. Eight of the twelve clubs in the League at its formation - Aston Villa, Blackburn Rovers, Derby County, Everton, Stoke City, West Bromwich Albion, Wolverhampton Wanderers and Bolton Wanderers - are in the senior division this season.

The Trotters hold one record of which they are not very proud. In the season of 1902-03, they played twenty-three League matches without registering a win, their first two points coming to them on January 17, 1903, when they beat Notts County by 3 goals to 1.

Although the Bolton Club has seldom had a team that could not be described as first-class, it has never been able to do better than take the third place on the Division I table at the end of the season. This it has done three times - 1891-92, 1920-21 and 1924-25.

Famous players who have served the club are D.B.N. Jack, now manager of Southend-on-Sea, J.W. Sutcliffe, D. Pym, J.R. Smith and E.T. Vizard. Here are two interesting items - Jack scored the first goal in a Cup Final at Wembley, and he is the holder of the transfer fee record - £10,340, when he was transferred from the Wanderers to Arsenal.

In the season of 1932-33 Bolton lost their place in Division I; in the season of 1933-34 one point prevented them staging a come-back.

## BOLTON

**Jim MCDONAGH** (Goalkeeper). Jim joined the Wanderers two seasons ago on a month's loan from Rotherham United. Impressed and was signed for a £10,000 fee as cover for Barry Siddall. He soon got promotion with the transfer of Siddall to Sunderland and has held the first team spot since. Stands six feet tall and matches his height with agility.

**Terry POOLE** (Goalkeeper). Signed from Huddersfield Town two years ago for a £25,000 fee. Had still to make his first team debut at the start of the current season.

**John RITSON** (Full back). John was born in Liverpool and joined the Wanderers from schoolboy soccer. He graduated through the junior sides and is a strong defender with an attacking flair. Missed a spell of last season because of a cartilage operation.

**Tony DUNNE** (Full back). Eire international who played for most of his career with Manchester United. Was a member of the United European Cup winning side and since coming to Bolton has proved to be a firm favourite with the fans.

**Peter NICHOLSON** (Defender). Signed for the Wanderers from Blackpool for a small fee prior to the 1971-2 season and has proved to be a fantastic bargain. He can play anywhere in defence and had a long spell at full back last season. Is also accomplished in midfield.

**Roy GREAVES** (Midfield). Long serving player who has been rewarded with a testimonial for his supreme service to the club. Born in Farnworth, near Bolton, he is a non-stop worker who likes to be involved all the time.

**Paul JONES** (Defender). Paul is a tall, quick-tackling defender who has been a member of the Under-23 and full England squads. He is a commanding player in the air as well as on the ground and seems destined for further honours. He is a central defender who had a spell at full back last season.

**Sam ALLARDYCE** (Defender). A central defender born in the Midlands, Sam joined the Wanderers from school and since coming into the side in 1975 has held down a regular place. Is very dangerous when moving forward for free kicks and corners and has scored with some very spectacular headers.

**Mike WALSH** (Defender). Manchester-born Mike joined the Wanderers from school. He earned a regular place in the side after being groomed for a couple of seasons and is equally proficient in the middle of the defence, at left back, or in midfield.

**Willie MORGAN** (Winger). Started his career with Burnley then moved to Manchester United for a big fee. Returned to Burnley and was signed by the Wanderers three seasons ago on a free transfer. A Scottish international, Willie spent last summer playing in American football.

**Neil WHATMORE** (Striker). Strong attacker with a flair for scoring goals. Two seasons ago he was the top Second Division scorer with 31 goals from League and League Cup games. Last season he scored 22 goals to play his part in the side winning the championship.

**Peter REID** (Midfield). A youngster who joined Bolton from school on Merseyside. Peter has been a regular member of the England Under-21 side and skippered them last season. He is a constructive player who reads the game well and is a fine passer of the ball.

**Ray TRAIN** (Midfield). Signed for the Wanderers only minutes before the transfer deadline two seasons ago for a £30,000 fee from Sunderland. Has a terrier-like tackle and is always in the thick of the midfield action.

**Frank WORTHINGTON** (Striker). Had a spell on loan with the Wanderers, then signed for a £90,000 fee from Leicester City in October, 1977. Started at Huddersfield, Frank is an England international with a great deal of skill. Scored some vital goals for the Wanderers last season.

**Alan GOWLING** (Striker). Took over from Worthington as Bolton's record signing when he cost £120,000 from Newcastle United just before last season's deadline. Alan started his career with Manchester United and then moved to Huddersfield when Bolton boss Ian Greaves was manager there. Went to Newcastle four years ago for a fee of around £70,000.

**Garry JONES** (Striker). Born in Manchester, Garry is a strong running attacking player. He can put pressure on defenders and is very quick in the penalty area. Played in America during the summer.

**Brian SMITH** (Midfield). Born in Walkden, near Manchester, Brian is a small but very active player who has impressed when used in midfield. His chances in the first team have been limited. Had a spell in American soccer last summer.

**Chris THOMPSON** (Striker). A speedy, skillful attacker who has made his debut for the Wanderers. Signed as a schoolboy, then became an apprentice and went on to sign full professional forms in July, 1977.

### THE NEW CITY LOTTERY

Well the Lottery has certainly got off to a tremendous start. Customers certainly seem to like the new tickets - Within hours of the tickets going on sale agents were returning to 'The Near Post' for more. So many in fact that the first lottery is a virtual "sell out". I am sure this is due to the fact that there are over 4000 prizes ranging from 25p - £1,000 in each set. The first draw (AA) will take place on Thursday 12th October at "The Heart of Oak" Pinhoe. We hope as many supporters as possible will be there.

Congratulations to our P.A. announcer Richard Knight on his marriage to Linda Blatchford - Linda was a helper on matchdays in the V.P. lounge, also to Phil Day and Lynda Bailey on their marriage. They are both Golden Goal sellers.

It would appear that Spring and Not Autumn is in the air at "St. James Park".

# Spotlight on the Reserves

## by Chris Davey

After two recent home defeats we came back with a much better team performance against Weston Super Mare. We scored in the first half through FRED INGHAM and with 7 minutes to go they equalised with "speculative" effort.

However, a 1-1 draw at Weston is always a good result. The pleasing aspect of the performance was that we showed all the signs of playing as a TEAM again! Remembering that passing pays dividends! I hope by the time supporters read this that we have secured 3 more points at the expense of highly-rated Barnstaple Town.

As I have said many times before it is very pleasant to be up around the top of the Western League (and with a side which usually includes seven players 18 and under) BUT it is the quality of the performance which counts. The main concern of Reserve team management must be to produce players capable not of doing well at Western league level but at Football League standard!

Several young players, including probably our three 15 year old Associate Schoolboys IAN COLE, MARK BOWEN both midfielders and striker PAUL CLATWORTHY will be plunged into Western League football to see whether they will be the players of tomorrow!

WHY NOT COME ALONG AND SUPPORT THE LADS!!!!

## TARGET — THE LAST 16

By the time you read these notes we shall be well into the action of the League Cup third round. Some will be through, others will have to try and sort it all out again whilst the unlucky few will have to look forward to next years competition. The thirty-two clubs who comprised this years third round paired up as follows:-

Aston Villa v. Crystal Palace  
Blackpool v Manchester City  
Burnley v Brighton  
Chester v Norwich  
Chesterfield v Charlton  
Everton v Darlington  
EXETER CITY v BOLTON WANDERERS  
Luton v Crewe Alexandra  
Manchester United v Watford  
Peterborough v Swindon  
Northampton v Stoke  
Oxford United v Nottingham Forest  
Q.P.R. v Swansea  
Rotherham v Reading  
Sheffield United v West Brom or Leeds United  
Southampton v Derby County

City v. Bolton

Links between Bolton and City are few and far between. However, Exeter did make a substantial contribution to the successful Wanderers side of the 1920's. During this period Bolton purchased the services of Dick 'Pincher' Pym and Harold Blackmore. Considering what they achieved with Bolton the transfer fees look like stealing when compared with modern inflated prices.

For the record both played in Cup winning sides. Dick Pym featured between the sticks in the Finals or 1923 (beat West Ham 2-0), 1926 (beat Manchester City 1-0) and 1929 (beat Portsmouth 2-0). Performances that made him a Legend as great as any contemporary star including Nat Lofthouse. His achievement was not only playing in three winning teams but keeping a clean sheet to boot.

In the 1929 final Pym was joined by the goal-scoring prowess of Harold Blackmore. Blackmore endeared his name to the hearts of Bolton and Exeter supporters by scoring the second goal, thereby making the Cup safe for Bolton.
